

REMARKS

With the filing of this Amendment, claims 23-24, 26-28, 30-31, 37, 39-40 are cancelled and claims 25, 29, 32, 34-35, 38 are amended. No new matter has been added.

Applicants are pleased to note that claims 36 and 41-47 are allowed and that claims 25, 29, 33 and 38 are directed to allowable subject matter. Claims 25, 29 and 38 have been amended into independent form and are believed to be in condition for allowance.

The rejections of claims 23-24, 26-28, 30-31, 37, 39-40 are moot in view of their cancellation.

Claims 32-35 stand rejected under 35 U.S.C. §112, second paragraph as being indefinite. Applicants respectfully submit that the amendments to claims 32, 34 and 35 obviate the rejection. Specifically, the claim language "secret area" has been clarified as being an area of the device, not a "secure room or building" as suggested by the Office Action. Basis for the amendment may be found, for example, on page 17, lines 19-24. Claim 33 depends from claim 32 and therefore the amendment to claim 32 obviates the rejection with respect to claim 33. Applicants respectfully submit that claims 32-35 are in condition for allowance and request that the rejection based on 35 U.S.C. §112, second paragraph, be withdrawn.

Applicants have addressed all the Examiner's rejections and respectfully submit that the application is in condition for allowance. A notice to that effect is earnestly solicited. If any point remains in issue which the Examiner feels may be best resolved through a personal or telephone interview, please contact the undersigned at the telephone number listed below.

Please charge any fees associated with the submission of this paper to Deposit Account Number 033975. The Commissioner for Patents is also authorized to credit any over payments to the above-referenced Deposit Account.

Respectfully submitted,
